The number listed is the direct line for Indiana 211, and the assistance it refers to is related to United Way of Central Indiana's COVID-19 fund. This specific assistance is only available for people in Central Indiana.

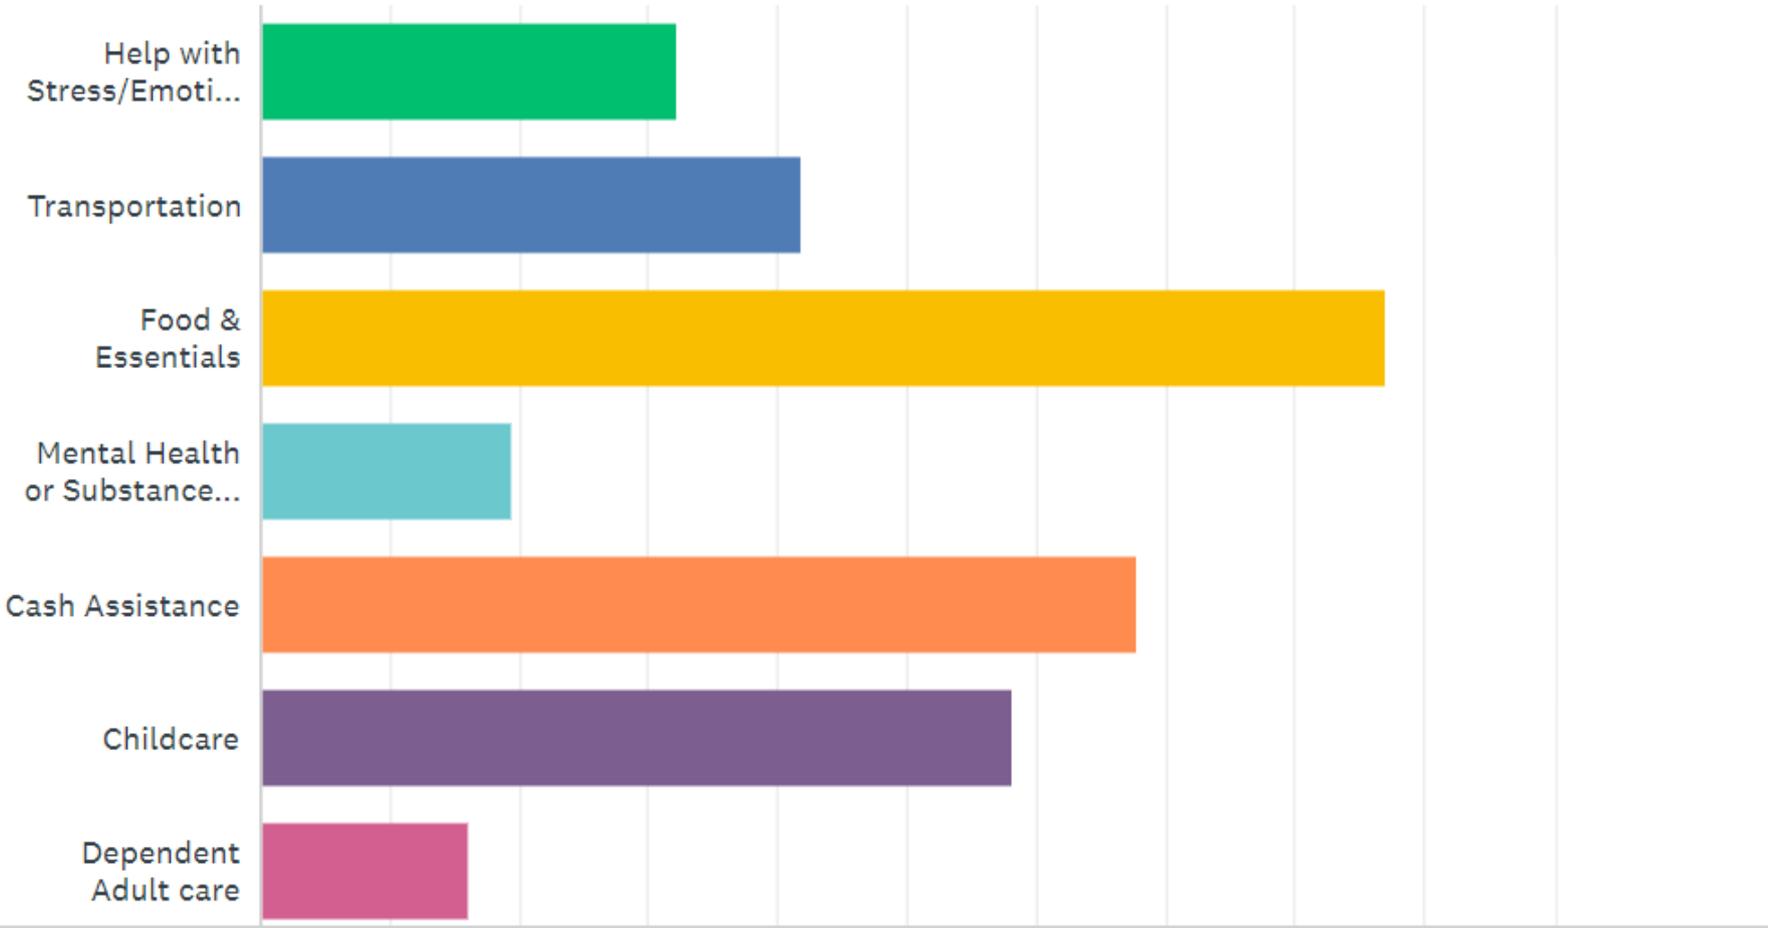

ADVOCACY EFFORTS FOR UWW AND THE UNITED WAY NETWORK

1. Support for initial trillion dollar relief package.
2. Request for \$60 billion economic relief for charities and to include the nonprofit sector in benefits available for corporations and small businesses.
3. UWW is working on a third phase of COVID-19 legislation, including:
 - \$110 million in funding for 211
 - \$100 million in stimulus funding for the Emergency Food and Shelter Program, along with an increase in the annual funding.
 - An extension of tax filing deadline (not tax payment deadline), so that VITA sites can provide needed tax prep into the summer
 - Inclusion of Earned Income Tax Assistance Credit and Child Tax Credit expansion provisions
4. Digital Advocacy on COVID Stimulus and US Census
5. Signing on to the temporary 36% usury rate cap effort for Indiana
6. What else can we do? Email Kathryn.Habecker@iuw.org
